UNCLE SAM AND GREATER AMERICA

LARGEST IN THE CITY.

HON. HENRY WATSON swallowed GORDEL—bombs, boofs and sil,—and then he stepped out into the back alley and sang "New York" in a well rounded basso profundo.

If the Republicans don't make darned fools of themselves at the Lexington Convention, Mr. GORDEL and his henchmen will have the task of "counting him in" to the tune of some \$5,000. But that's what the "Goebel Bill" was made for.

The corner stone of the new M. E. Church, South, at Dover, was laid a few evenings ago, with impressive ceremonies.

THE YOUNG MEN.

What the Maysville Y. M. C. A. Is Doing For Their Betterment.

Another Gospel meeting will be held at Dietrich's Grove Sunday afternoon, July 26, at 4 o'clock. Those who have attended these outdoor meetings in the past know how enjoyable they are and this one will be no exception to the rule. Rev. J. W. Porter will be the speaker. Everybody invited.

A Card of Thanks.

I wish to say that I feel under lasting obligations for what Chamberlain's Cough Remedy has done for our family. We have used it in so many cases of coughs, lung troubles and whooping cough, and it has always given the most perfect satisfaction. We feel greatly indebted to the manufacturers of this remedy and wish them to please accept our hearty thanks—Respectfully, Mrs. S. Dory, De Moines, Iowa. For sale by J. Jas. Wood & Son, Druggists.

NEWSY NOTES FROM NATURE'S GREAT HIGHWAY.

The Henry M. Stanley was up last night for Kauai.

The Snagboat Woodruff is cleaning the Cincinnati harbor.

Ellis Floating Palace is on the way down from up the river.

The towboat Joe Williams got as far as Parkersburg with her tow of empties and quit.

The Sea Lion passed up light, returning from Louisville where she landed a tow of timber.

A bridge is to be erected across the Muskingum river at Marietta, and application to construct it has been made to the Secretary of War.

The Avalon passed up last evening from Louisville for the headwaters of the Kanawha river. The liberal patronage the Avalon is receiving is a great compliment to her owner, Captain Cramer, and her chief clerk, Captain Ira Huntington. But then the Avalon is a new boat, and is first-class in all her appointments, and the shippers and passengers know a good thing when they see it. Her trips are so arranged that every mile of the journey from Louisville to the head of Kanawha river and return is traversed one way or the other in daylight.

The Ohio river rose one-tenth of a foot Wednesday night at Pittsburgh and has been stationary today at the Davis Island Dam. This slight swell was caused by the rains that fell last Saturday and Sunday morning. The indications for rain are very good, and river-men have not given up hope for a shipping stage. It is estimated that 5,000,000 bushels of coal are loaded and waiting shipment. Most of this coal is in barges, and much is already in the Pittsburgh harbor. Some of the landings are congested, and a rise would be most welcome to the army of men employed on the river.

THOMASTON, Ga., June 30.—Miss Louisa Butler, the sister of Mrs. Dave McHargue, drank an ounce of laudanum and died Thursday. Despondency, produced by recent sickness, is the cause. Miss Butler belonged to one of the state's most prominent families.

THE BUYERS' GUIDE.
A LESSON IN
BINDER TWINE!

Deering Pure Sisal Binder Twine has 500 full feet in every pound.

It is smooth, even and long.

Spun from 20-foot strand of pure sisal fiber. It is 32 per cent. stronger than other twine. It never breaks.

Every ounce of it is guaranteed. It has no lumpy places in it.

If you use Deering Twine you will be a Christian during harvest.

It costs you 11 cents a pound of 500 full feet.

Cheap Sisal Twine has 375 to 400 feet in every pound.

It is lumpy—parts of the pulp remaining and breaks frequently.

It is spun from 6-foot strands of sisal fiber, has more joints, is uneven and you only get about 375 feet out of a pound.

They don't guarantee it to suit you. They dare not.

If you attempt to use this cheap twine you had better take a furlough on religion during harvest, for your temper will surely get the best of you. You are only human and can't patiently stand your twine constantly breaking and annoying you.

It costs you 10 cents for 400 feet.

Would you rather pay 11 cents for 500 feet, no foot of which will break, or will you pay 10 cents for 400 feet, any foot of which is apt to break? You are the doctor. It is up to you. Make your decision and make it quick. Harvest is here. 500 feet of unbreakable DEERING PURE SISAL BINDER TWINE for 11 cents at the Price Fighter's.

THEY SAY THAT
FURNITURE!

Is advancing in price, but I haven't noticed it. The same old prices still prevail at the Price Fighter's. If your furniture dealer tells you that Furniture is going up tell him to see the Price Fighter, who sells everything less than anyone else, quality considered.

DEERING BINDERS AND MOWERS!

Lead the procession. They are four years ahead of anything. Buy one and get the best. Every one guaranteed.
